## Camp Euchee

Dusty Henning

This past June was awesome. I got to go to Camp Euchee for summer camp and it was a lot of fun. While you're having fun you can also earn lots of Merit Badges. I earned two badges and got to do Pathfinders. There are plenty of organized activities, plus you get two hours of free time at lunch. My favorite part of summer camp was when I went fishing on my lunch break. I didn't like getting up at the crack of dawn but I really liked listening to the crickets chirping at night. I had a great time but it sure was nice to see my family again at the end of the week.

Dusty - ready to go home.

It's newsletter and Court of Honor time. A lot has happened - and not happened since our last newsletter. We have a new newsletter editor, Shawn Henning. Thank you Mrs. Henning. She is the mother of Scouts Dusty and Charlie and wife of ASM Spike Henning - quite a scouting family.

Ivan has affected us all, and I feel we've all grown because of it. Boys, parents, and friends - I am as proud of this group as can be. Our projects since Ivan have conservatively reached 500 volunteer hours! That's not counting our contribution to the Greek Festival.

We've contributed several hundred hours of manpower to the Greek Festival. The festival committee designated that fully one-half of the proceeds would go to Ivan Relief. They also gave the Troop a \$2,200 donation. Sincere appreciation was expressed to our boys and adults. For all of this and more, THANK YOU TROOP 608.

Although we've had limited outings, I've never been prouder of the "Scout Spirit" this troop has shown. I thank each and every one of you.

*PS- Don't forget: We now have an opportunity to help the troop. Hope to see all of you at the mistletoe giveaway at the Creighton Road Wal-Mart starting at 8:00 am on December 11.*
